

## Luciferian Global Agenda

Click on the underlined texts.

It all started in the Garden of Eden, when Satan set on destroying mankind.

“And I will make enemies Of you and the woman, And of your offspring and her Descendant; He shall bruise you on the head, And you shall bruise Him on the heel.” Gen. 3:15

But, we need to identify who Satan was, two Old Testament passages, Isaiah 14 and Ezekiel 28, shows us that Satan:

- Has fallen from heaven (Isaiah 14:12)
- Can be called the “star of the morning” and “son of the dawn” (Isaiah 14:12)
- Had the “seal of perfection” and was “full of wisdom and perfect in beauty,” in “Eden, the garden of God” (Ezekiel 28:12-13)
- Was “blameless” when created (Ezekiel 28:15)
- Was “the anointed cherub” (Ezekiel 28:14)

The two texts shows us that Satan, who stands behind the kings and minions and whose character and work they exemplify.

- We should already know--that Satan’s character and conduct are manifested in those over whom he has control.
- On the other hand, Christians should manifest the character and conduct of Christ to the world.
- The non-Christian likewise manifests the character and conduct of Satan (see John 8:39-44)

- Satan is introduced early in the Scriptures and consistently represented as both the adversary of God and of men.

### **Satan in the Old Testament:**

- Satan in the Garden of Eden (Gen.3:15)
- Satan as the adversary of Job (Job 1 and 2)
- Satan as the adversary of Israel (1 Chr. 21:1-8; 2 Sam. 24:1)
- Satan as the Adversary of Joshua (Zech. 3:1-2)

### **Satan in the New Testament:**

- Satan directly opposed God through the temptation of our Lord Jesus Christ (Matt. 4:1-11).
- Satan also indirectly opposed the Lord Jesus Christ through his demonic helpers and through human instruments, including Israel's spiritual leaders and two of our Lord's disciples (Lk. 11:13-16; Jn. 8:44; John 13:2, 27; Matt. 16:21-23).
- Satan opposes the Gospel by seeking to keep men from salvation in Jesus Christ (Lk. 8:11-12; 2 Cor. 4:3-4).
- Satan holds men and women captive to accomplish his will, often when they are not even aware of it (Eph. 2:1-3; 2 Tim. 2:24-26).
- Satan opposes Christ by attacking Christians, seeking their downfall and destruction (1 Pet. 5:8-10).
- Satan seeks to deceive and to distort the simple truths of the gospel (2 Cor. 11:3).
- Satan opposes Christians in disguise, often posing as a true believer and teacher of the truth (1 Tim.4:1-5; 2 Cor. 11:12-15).
- Satan employs a full range of spiritual weapons and forces, many of which are unseen (Eph. 6:10-12).

However, Satan's doom is repeatedly and emphatically foretold in Scripture. Isaiah 14; Ezekiel 28; Genesis 3:15; Psalm 22; Isaiah 53; Matthew 25:41; John 16:11; Romans 16:20; 1 John 3:8).

**You either belong to God, or you belong to this world.**

**God created man to be free.** The antichrist spirit seeks to control the population. The United Nations passed "Agenda 21" and now it is called "Agenda 2030".

It's a rebranding of Agenda 21. By the year 2030, they want certain things in place. By their definition, Agenda 21 is"

*"A comprehensive plan of action to be taken globally, nationally, and locally by organizations of The United Nations System, Governments, and major groups in every area in which human impacts on the environment."*

**THERE ARE 9 BASIC TENANTS OF AGENDA 21:**

1. Move Citizens off private land and unto urban housing
2. Create vast wilderness spaces inhabited by large carnivores
3. Eliminate cars and create "walkable" cities
4. Support chosen private businesses with public funds for "sustainable development"
5. Make policy decisions that favor the "greater good" over individuals
6. Drastically reduce the use of power, water, and anything else that creates "carbon pollution"
7. Use bureaucracies to make sweeping decisions outside of democratic processes

8. Increase taxes, fees, and regulations
9. Implement policies meant to incentivize a reduced population

## **ABORTION IS ABOUT REDUCING THE EARTH'S POPULATION.**

In regards to the earth's population, Bill Gates is quoted in his 2010 Ted Talk:

If we do a really great job on:

- New vaccines
- Health care
- Reproductive health services (abortion)
- We could lower the population by 10 or 15 percent.

The Climate change agenda is not about fixing the climate. It's about stripping money from private individuals and giving it to the government.

Remember the word **FREEDOM!** America was developed with the concept of private land ownership, private wealth, and the government keeping their hands out!

There is an agenda to reduce the earth's population from 7 billion to 1 billion or less.

# A MAN OF GREAT INFLUENCES...

## THERE IS AN ACTIVE MOVE TO DESTROY YOUR FREEDOM

- Free speech is being equated to hate speech.
- Freedom to choose your healthcare is equated to being a terrorist.
- Climate change denier is equated with planet killers

God didn't not create man to take care of the earth, but the earth to sustain man and care for him. God created man last.

### Ten Questions by Clay Clark:

1. Why would Bill Gates has a patterned number: WO/2020/060606 for CRYPTOCURRENCY SYSTEM USING BODY ACTIVITY DATA publication date 03/26/2020?
  - Revelation 13:16-18 (Mark of the beast)
2. Why are international celebrates such as Jay Z, Bill Gates, Lord Jacob Rothchild, and Bill and Hillary Clinton seeking the spiritual guidance of a Luciferian spiritual guide guru named Marina Abramović
3. Why does the CDC calling for a Nazi style quarantine camps; Isolation Camps?
4. Why would Jeffery Epstein working to seed the human race with his DNA? Why would Bill Gates seeks to befriend the most prolific pedophile?
5. Why would Bill Gates, Elon Musk, and others obsessed with Transhumanism? (Daniel 2:43)
6. Why would the satanic temple of Texas suing Texas for its religious right of human sacrifice?
7. Why did Jeffery Epstein has a Temple on his island?
8. Why would the technology for Covid-19 shots being worked on before Covid-19?

9. Why would Lucerferians are obsessed with standing 6' apart and wearing a mask? (Online search for Bohemian Grove or Satanic rituals)
10. Why would Klaus Schwab (World Economic Forum) write a book titled (Covid-19 the great reset)?

Are we living in the implementation of Matthew 24?

### **People I know died from Covid.**

- No one needed to die. Because they knew before the outbreak the right protocol for treatment, but they gave the wrong protocol.
- Some were at risk but more than 98% have not had problems with Covid.
- The numbers were inflated on purpose.
- The shot was shown to be detrimental before its released, but it was covered up.

### **Key People in that are credible witnesses against the Covid scam and damage of the vaccine.**

1. The patent expert - Dr David Martin
2. New York doctor who was in the middle of the fight to save lives in New York and succeeded. Dr Vlademir Zelenko
3. Dr Robert Malone - the mRNA inventor warned of damage the shots's spike protein does in the body.
4. The PCR test inventor. Dr. Kary Banks Mullis who said Fauci was a crook and the PCR test was not reliable for testing viruses due to picking up most virus molecule which people carry to do not always infect them. (Fact checkers say he did not say this but the video link is below.)

5. Former scientific adviser to Pfizer - Mike Yeadon say early on that the PCR test was not accurate and numbers were inflated.
6. The Lawyers such as Dr Fuellmich. No one has more thoroughly investigated everything about the criminal covid enterprise than Dr. Reiner Fuellmich and his team. Dr. Fuellmich is a lawyer licensed in both Germany and the USA. He has gathered hundreds of hours research and testimony of expert witnesses against the lies of the pandemic and vaccine
7. Molecular biologist and biochemistry researcher that did that actual testing experiments. Dr Judy Mikovits has a Ph.D. in molecular biology and biochemistry with over 30 years of experience. She has directed programs on HIV, cancer, epigenetic and neuroimmune disease with a focus on the development of novel drug and diagnostic technologies.
8. The doctors that realized bad things were happening to their patients such has Dr Peter McCullough.

All of these people, the press and corrupt leaders have tried to discredit without success. God has preserved them to share the truth.

**However, I will focus on, Dr. David Martin.**

### **Patents Prove Etiology of SARS-CoV-2**

In a January 2021 lecture, Jonathan Latham, Ph.D., introduced the term “*the pandemic virus industrial complex,*” to describe the academic, military and commercial complexes that are driving the pandemic agenda and obscuring facts that indicate SARS-CoV-2 is a manmade virus.

- Hundreds of patents show SARS-CoV-2 is a manmade virus that has been tinkered with for decades. Much of the research was funded by the National Institutes of Allergy and Infectious Diseases (NIAID) under the direction of Dr. Anthony Fauci, and may have been an outgrowth of attempts to develop an HIV vaccine
- In 1999, Fauci funded research at University of North Carolina Chapel Hill to create “an infectious replication-defective coronavirus” specifically targeted for human lung epithelium. This appears to be the virus that became known as SARS-CoV
- U.S. Patent **7279327** shows we knew the ACE receptor, the ACE2 binding domain, the S-1 spike protein, and other elements of SARS-CoV-2 were engineered and could be synthetically modified using gene sequencing technologies

## **SHOULD WE CALL IT A VACCINE OR mRNA SHOT?**

### **Dr. David Martin**

Martin has been in the business of tracking patent applications and approvals since 1998. His company, M-Cam International Innovation Risk Management, is the world’s largest underwriter of intangible assets used in finance in 168 countries. M-Cam has also monitored biological and chemical weapons treaty violations on behalf of the U.S. government, following the anthrax scare in September 2001.

In his testimony to ACU (Außerparlamentarischer Corona Untersuchungsausschuss), he reviews some of the most pertinent patents, showing SARS-CoV-2 is not a novel coronavirus at all but, rather, a manmade virus that has been in the works for decades.

### **SARS-CoV-2 Is Not a “Novel” Coronavirus**

- 120 patents detail supposed “unique” features of SARS-CoV-2: the polybasic cleavage site, the spike protein and the ACE2 binding, proving it’s not a novel virus at all
- And what we found, as you’ll see in this report, are over 120 patented pieces of evidence, **to suggest that the declaration of a ‘novel coronavirus’ was actually entirely a fallacy.**
- There was **no novel coronavirus**. There are countless, very subtle **modifications** of coronavirus **sequences** that have been uploaded, but there was **no single identified** ‘novel coronavirus’ at all.
- As a matter of fact, we found records in the patent records, of sequences attributed to novelty, going to patents that were sought as early as 1999. So not only was this not a novel anything ... **it’s not been novel for over two decades.”**

### **Spike Protein Vaccine for Coronavirus Patented 22 Years Ago**

- Up until 1999, coronavirus patents were all in the **veterinary** sciences. The first coronavirus vaccine to use the S spike protein was patented by Pfizer in January 2000 (Patent No. 6372224). It was a spike protein virus vaccine for **canine coronavirus**. You can look up the actual patents for yourself on the United States Patent and Trademark Office’s website.

## From HIV Vaccine Development to COVID-19

- Fauci and the NIAID “found the malleability of coronavirus to be a potential candidate for HIV vaccines,” and in 1999, Fauci funded research at University of North Carolina Chapel Hill (where Baric has a lab) to create “an infectious replication-defective coronavirus” specifically targeted for human lung epithelium.
- The patent for that replication-defective coronavirus that attacks human lung cells was filed April 19, 2002 (Patent No. 7279327). “In other words, we made SARS,” Martin says. Or perhaps more accurately, Fauci and UNC did. Several months after that patent filing, the SARS outbreak in Asia occurred.

## Coronavirus — A Biological Weapon Since 2001

- Dr. Martin has monitored biological and chemical treaty violations since 2001, following the anthrax attacks.
- “Our concern was that coronavirus was being seen as not only a potential manipulatable agent for potential use as a vaccine vector, but it was also very clearly being considered as a **biological weapon candidate**,” Martin.
- Before the SARS outbreak in China, Martin reported these concerns publicly. “So, you can imagine how disappointed I am to be sitting here ... having 20 years earlier pointed that there was a problem looming on the horizon with respect to coronavirus,” he says.

## **CDC Holds Patents on SARS Coronavirus**

- In April 2003, after the SARS outbreak in China had occurred, the U.S. Centers for Disease Control and Prevention tried to file a patent for the entire gene sequence for the SARS coronavirus (Patent No. 7220852). This is a **violation** of 35 U.S. Code Section 101, which **states you cannot patent a naturally-occurring substance**.
- That CDC patent also had several derivative patents associated with it, including U.S. patent 46592703P and U.S. patent 7776521. These two patents cover the gene sequence of SARS coronavirus and the means for detecting it using RT PCR testing.
- Together, these patents are highly problematic, because if you own both, then “you have a cunning advantage to being able to control 100% of the provenance of not only the virus itself, but also its detection, meaning you have entire scientific and message control,” Martin explains.
- The CDC tried to justify the patent by saying they were being sought in order to ensure that everyone would be free to research coronaviruses. However, that is a lie, Martin says.
- The U.S. patent office rejected the patent on the gene sequence as unpatentable because it was 99.9% identical to a coronavirus that was already in the public domain.
- According to Dr. Martin, the gene sequence filed by the CDC in 2003, 2005 and 2006 is 89% to 99% identical to the sequence identified as SARS-CoV-2.

## **The Pandemic Virus Industrial Complex Is Swimming in Profit**

- Dr. Baric is one of the few people who has profited significantly from this pandemic, which he appears to have been part of creating. Another is Fauci. The same drug

companies that hold patents on not-so-novel SARS-CoV-2 features are also raking in profits from their COVID shots.

- In 2015, Dr. Peter Daszak, head of the EcoHealth Alliance that funneled research dollars from the NIAID to the Wuhan Institute of Virology for coronavirus research, who has promoted the official narrative that SARS-CoV-2 has a natural origin, stated:
  - *“We need to increase public understanding of the need for medical countermeasures such as a pan-coronavirus vaccine. **A key driver is the media and the economics will follow the hype.** We need to use that hype to our advantage, to get to the real issues. Investors will respond if they see profit at the end of the process.”*
- At the end of the day, this pandemic has primarily been about profit and the shifting of wealth, from the lower- and middle-classes to the already ultra-wealthy. This is a war on the public, waged using **biological weapons and information warfare**, with the ultimate goal of **“resetting” life and commerce as we know it.**

### **Weaponization of Spike Protein**

- “There wasn’t a lab leak. This was an intentional bio-weaponization of spike proteins to inject into people, to get them addicted to a pan- coronavirus vaccine. This has nothing to do with a pathogen that was released, and every study that’s ever been launched to try to verify a lab leak, is a red herring.”
- [There are] 73 patents on everything clinically novel, all issued **before 2019**. “And I’m going to give you the biggest bombshell of all to prove that this was actually not a release of anything, because Patent **No. 7279327**, the patent on the

recombinant nature of that ‘lung- targeting’ coronavirus, was transferred mysteriously from the University of North Carolina Chapel Hill to the National Institutes of Health in 2018.”

Martin

- They needed to make sure that not only did they get it right, but they needed to make sure every typographical error that was contained in the patent was correct on **THE SINGLE PATENT REQUIRED**, to develop the Vaccine Research Institute’s mandate, which was shared between the University of North Carolina Chapel Hill and Moderna in **November of 2019**, when UNC Chapel Hill, NIAID and Moderna began the sequencing of a spike protein vaccine — a **month** before an outbreak ever happened.”

### **‘New Normal’ Coined by Merck at 2004 Bioterrorism Conference**

- Clearly, plans for our current-day predicament were laid well over a decade ago. According to Martin, the slogan “The New Normal” was coined by Merck during a January 6, 2004, conference called “SARS and Bioterrorism, Emerging Infectious Diseases, Antimicrobial Therapeutics, and Immune Modulators.”
- This term has now become a branded campaign adopted by the World Health Organization, the Global Preparedness Monitoring Board and the rest of the pandemic virus industrial complex.
- Fauci is on the board of directors of the Global Preparedness Monitoring Board, as is Dr. Chris Elias, president of the Global Development Program at the Bill & Melinda Gates Foundation, and George Fu Gao, Ph.D., director-general of the Chinese CDC and a Chinese Communist Party member.

***On Page 24: The specific claims addressing the pivot to the SARS Coronavirus were patented on March 28, 2019 – 9 months before the SARS CoV-2 outbreak!***

In short, while Moderna enjoys hundreds of millions of dollars of funding allegiance and advocacy from Anthony Fauci and his NIAID, since its inception, **it has been engaged in illegal patent activity and demonstrated contempt for U.S. Patent law.** Page 24

Three things we must ask regarding any vaccine:

1. Is it safe?
2. Does it work?
3. Do we need it?

Just because we have the technology, it doesn't mean we have to have it. The CDC in their own study said that the survival rate from Covid is 99.97%.

If we have a demographic of no risk such as children with 99.99% survival, young adults 18-45 have 99.95% survival rate.

The number one country with the highest vaccination rate in the world is Israel @ 85%. It is now have the highest rate of the Delta variant cases in the world per capita. Sweden and Portugal banned Israeli visitors from entering their countries.

If the shot works, why would the experts recommend a third & fourth shots when the first two didn't work?

### **How about safety?**

1. Accute: short term is blood clots 40%, inflammation of the heart in young adults, miscarriage of pregnant women in the first trimester goes up from 10% to 80%.
2. Sub-accute: immune reaction where it kills the person.
3. Long term: sterilization, reduce immune system, and increase cancer.

If everyone in the planet gets Covid, the death rate would be less than 0.5%

In 1999 Dr. Ralph Baric from the university of N. Carolina modified a bat Coronavirus in order to infect human beings. This research became illegal in the U.S. then it was sent Wuhan Lab using the American tax payer money by Dr. Fauci. The research continued until it was modified to more distractive to the human lungs and to cause blood clots.

It is not a conspiracy theory, but it is a conspiracy to commit global genocide that the world never seen before. According to [www.moneycontrol.com](http://www.moneycontrol.com), as of August 29. 2021: Over **5.18 billion** vaccine doses have been administered against COVID-19.

Ultimately it's a war against God. Either we believe that mankind is created in the image of God, or he evolved from slime.

If we are created in God's image and likeness, who decides to how many people should live on this planet. God is in charge.

But, if you believe in Darwinian thinking, actually satanic thinking from the Garden of Eden. There are three kinds of people:

1. The elite, those who deserve to rule and live
2. The slaves, those serve the elite's lifestyle
3. The garbage, those who don't deserve to live because they consume more resources than contribute. The elite then make the decision to how many should die to maintain the world they want.

President Trump gave an executive order to make HCQ available to all Americans, but the CDC under Dr. Rick Bright restricted it to hospitalized patients only. This would have got rid of the emergency use of the shot this in turn would have cost the big Pharma hundreds of Billions of \$\$\$.

This is a collision of two systems, God centered consciousness vs. world centered. Only 10% of the Israelites made the conscious transition from slavery to redemption.

## Lets review this global Agenda:

Revelation 13:15-18

*“5 And it was given to him to give breath to the image of the beast, so that the image of the beast would even speak and cause all who do not worship the image of the beast to be killed. 16 And he causes all, the small and the great, the rich and the poor, and the free and the slaves, to be given a mark on their right hands or on their foreheads, 17 and he decrees that no one will be able to buy or to sell, except the one who has the mark, either the name of the beast or the number of his name. 18 Here is wisdom. Let him who has understanding calculate the number of the beast, for the number is that of a man; and his number is six hundred and sixty-six.”*

1. The word **CORONA**

- R - 18

## 2. Google Logo 666

### 3. H.R.666 - Anti-Racism in Public Health Act of 2021

It will separate you from your families

4. Bill Gates have filed for a patent to use under the skin to buy and sell. Patent # WO2020**060606** - CRYPTOCURRENCY SYSTEM USING BODY ACTIVITY DATA

It now seems very clear that everything we are experiencing was planned and excited with a profit motive in mind. Armed with this new knowledge, I urge you to reclaim your life, your freedom, and independence. Resist this manufactured notion of a **“New Normal.”**

**Romans 8:31-39.** “31 What then shall we say to these things? If God is for us, who is against us? 32 He who did not spare His own Son, but delivered Him over for us all, how will He not also with Him freely give us all things? 33 Who will bring a charge against God’s elect? God is the one who justifies; 34 who is the one who condemns? Christ Jesus is He who died, yes, rather who was raised, who is at the right hand of God, who also intercedes for us. 35 Who will separate us from the love of Christ? Will tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? 36 Just as it is written, “For Your sake we are being put to death all day long; We were considered as sheep to be slaughtered.” 37 But in all these things we overwhelmingly conquer through Him who loved us. 38 For I am convinced that neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, 39 nor height, nor depth, nor any other created thing, will be able to separate us from the love of God, which is in Christ Jesus our Lord.

**Revelation 21:3-4.** “3 And I heard a loud voice from the throne, saying, “Behold, the tabernacle of God is among men, and He will dwell among them, and they shall be His people, and God Himself will be among them, 4 and He will wipe away every tear from their eyes; and there will no longer be any death; there will no longer be any mourning, or crying, or pain; the first things have passed away.”

**Isaiah 65:17.** “For behold, I create new heavens and a new earth; And the former things will not be remembered or come to mind.”

**Revelation 22:3-4.** 3 There will no longer be any curse; and the throne of God and of the Lamb will be in it, and His bond-servants will serve Him; 4 they will see His face, and His name will be on their foreheads.

[5 questions to ask your friends who plan to get the Covid vaccine](#)

By: Kit Knightly

If you know someone who is planning on getting vaccinated against Covid19, ask them these five questions. Make sure they understand exactly what they're asking for:

**1. DID YOU KNOW THAT WE HAVE NEVER SUCCESSFULLY VACCINATED AGAINST ANY CORONAVIRUS?**

No successful vaccine against a coronavirus **has ever been developed**. Scientists have been trying to develop a SARS and MERS vaccine for years, with nothing to show for it. In fact, some of the **failed SARS vaccines actually caused hypersensitivity** to the SARS virus. Meaning that vaccinated mice could potentially get the disease more severely than unvaccinated mice.

**2. DID YOU KNOW IT USUALLY TAKES 5-10 YEARS TO FULLY DEVELOP A VACCINE?**

Vaccine development is a slow, laborious process. Usually, from development through testing and finally being approved for public use **takes many years**. The various vaccines for Covid have all been developed and approved in less than a year.

While the media are quick to offer a TON of “**explainer**” guides, which cite “**foresight, hard work and luck**” as the reasons **we got a Covid**

vaccine so quickly “without cutting corners”, they all leave out key information.

Namely, that none of the vaccines have yet been **subject to proper trials**. Many of them skipped early-stage trials entirely, and the late stage human trials have either not been peer reviewed, have not released their data, **will not finish until 2023** or were **abandoned after “severe adverse effects”**.

### 3. DID YOU KNOW THAT THE COVID “VACCINE” IS BASED ON NEW TECHNOLOGY, WHICH HAS NEVER BEEN APPROVED FOR USE ON HUMANS BEFORE?

While traditional vaccines work by exposing the body to a weakened strain of the microorganism responsible for causing the disease, these new

Covid vaccines are **mRNA vaccines**. mRNA (messenger ribonucleic acid) vaccines theoretically work by injecting viral mRNA into the body, where it replicates inside your cells and encourages your body to recognise, and make antigens for, the “spike proteins” of the virus. They have been the **subject of research** since the 1990s, but before 2020 no mRNA vaccine was ever approved for use.

### 4. DID YOU KNOW THAT THE PHARMACEUTICAL COMPANIES CAN'T BE SUED IF THE VACCINE HURTS OR KILLS SOMEONE?

Back in the Spring of 2020 many governments around the world granted vaccine manufacturers immunity to civil liability, either by invoking existing legislation or writing new laws. The USA's Public Readiness and Emergency Preparedness Act (PREP) **grants immunity until at least 2024**.

The EU's product licensing law **does the same**, and there are reports of **confidential liability clauses** in the contracts the EU signed with vaccine manufacturers.

The UK went even further, granting **permanent legal indemnity** to the government, and any employees thereof, for any harm done when a patient is being treated for Covid19 or “suspected Covid19”.

#### 5. DID YOU KNOW 99.8% OF PEOPLE SURVIVE COVID-19?

The case-fatality ratio of Sars-Cov-2 infection has been a bone of contention for months, but it is certainly much lower than all the initial models predicted.

It was originally massively inflated, with the WHO using a **figure of 3.4%**. Subsequent studies have found it to be much lower, in some cases even lower than 0.1%. A report published in October in the WHO’s own research bulletin finding a CFR of **0.23%** “**or possibly considerably lower**”. Meaning, even according to the WHO, at least 99.77% of people infected with the virus will survive.

Ask your friends these questions. Give them detailed answers.

It is a rushed and untested vaccine, made using unprecedented technology, with no legal recourse should it do you harm, to treat a virus 99.8% of people will survive.

So the question that really matters is: Do you really want, or need, to take that risk?
